Github: [student-uit](#) | Leetcode: [siddharth](#) | Portfolio: [siddharth](#)

### Objective

Motivated computer science undergraduate with hands-on experience in data structures and software development. Proficient in Java, Python, and web technologies completed projects in Web Development. Eager to apply technical skills and problem-solving abilities to contribute towards company growth.

### Education

United Institute of Technology, Prayagraj

2027(Currently in 3<sup>rd</sup> year)

Bachelor of Technology, Computer Science and Engineering

New RSJ Public School, Prayagraj

12<sup>th</sup> standard | 2022 | CBSE

66.2%

10<sup>th</sup> standard | 2020 | CBSE

72.5%

### Work Experience

#### 1. Summer Training on Core Java and Collections Framework

- As a summer intern at United Institute of Technology, I developed a Bank Management System project. I leveraged Core Java principles, including Object-Oriented Programming (OOP), to build a system for managing bank accounts and transactions.
- I utilized a SQL database for data persistence and ensuring reliable storage for all account information.

#### 2. IEEE Summer Training on Web Development

- Built an Uber-clone ride booking web app.
- Real-time tracking and booking functionality implemented.

### Academic Projects

#### 1. Netflix Clone

- Built a Netflix homepage clone using HTML & CSS.
- Designed responsive UI layout similar to original website.
- Responsive Layout with modern styling.

#### 2. Uber Clone Application

- Built a ride booking web app using, React, Node.js, MongoDB.
- Added login & signup for users and drivers.

#### 3. React Portfolio Website

- My First Big React Project where I build my own Portfolio with information like my own bio.

### Certifications and Achievements

- Core Java and Collection Frameworks. 
- Java Programming for Beginners to Java Object Oriented Programming. 
- Full Stack Web Development from IEEE. 

### Skills

- Java , C, Python(Basic)
- Html/ CSS/ Java Script(Basic)
- Data Structure and Algorithm
- Database Management System
